Call a visitor "Karen" in your head	Use your customer service voice	Politely listen to a visitor's story that is only slightly related to the exhibit	Be concerned by a board member's comment	Say something about the comment
Have a project approved (woohoo!)	Do something to make your museum a more inclusive space	Visit your favorite collection's item during lunch	Find an animal on the museum grounds	Roll your eyes at something ridiculous a previous collection's person did
Scream out loud at something else ridiculous a previous collection's person did	Give a silent, concerned look to your work bestie	FREE SPACE	Contemplate why you even went into museums	Genuinely enjoy a visitor
A kid cries but you don't mind because it's great they're there	Buy an overpriced snack from the giftshop	Reply with a "per my last email" because you know you already discussed this	Forget what day of the week it is. You work weekends, after all	Trip & hope the security guards didn't see it on the cameras
Freak out over a piece on view because it's wonderful	Catch a visitor touching something	Touch a collection's item because you can	Wonder why your hands are shaking as you drink your 4th cup of coffee... this grant is due in 2 hours	Listen to the Boozy Musies podcast :)
